

The Magic of the Harp

Presented by Harpist Glenda Clwyd

A cultural, musical and Welsh language experience of shows, workshops and seasonal programmes for Primary Schools
2021 - 2022

The Magic of the Harp in Wales

Specially created for the Spring term leading up to Welsh week
An enriching and interactive show now in its 20th year.

Glenda continues this ancient tradition of the harpers, who travel around Wales performing live harp music, famous Welsh songs and folk music on our National musical instrument.

Combined with stories, history and geography, this is an enriching and rewarding cultural experience for the children. They will learn for themselves how Wales is known as the Land of Song.

Glenda also teaches the children about the origins of our National anthem Hen Wlad fy Nhadau and how important the harp was in its composition.

To enrich their knowledge of the Welsh language the children will learn Welsh folk songs and new vocabulary in this bilingual show.

There's also a chance to try some clog dancing and to get their 'hands on' the harp. A great photo opportunity!

Suitable for Nursery, KS1 and KS2

Shows, Workshops and Seasonal programmes for Primary School
2021 -2022

The Magic of the Harp show

A great all year round musical show for Primary Schools

This is a live hour long performance of classical, Welsh, contemporary and mood creating music.

Glenda's skills and knowledge are unsurpassed. In this show she demonstrates the many styles of music that can be played on the harp.; - Welsh, Classical, Disney, jazz and ragtime!

There's an opportunity to ask questions and 'hands on harp' for each child.

It's not only the instrument of the angels - but very cool too!

Suitable for Nursery, KS1 and KS2

Shows, Workshops and Seasonal programmes for Primary School
2021 - 2022

Creative, Awareness and Mindfulness Harp Workshops

Glenda is a Concert harpist who also uses her skills to create a therapeutic and creative experience

The peaceful, calming and relaxing sound of the harp has been used for promoting creativity and healing in cultures for thousands of years.

Harp music is ideally suited to create a sense of general wellbeing while the soothing timbre is known to enhance mood and release creativity.

In these hour long sessions for one class at a time, Glenda will play classical and improvised music and introduce the children to mindfulness and meditation.

The children can choose their medium; art, music, poetry, story and creative writing to explore their feelings and creativity in the classroom.

Please provide paper, art material and a space for movement and two harps for these sessions.

Suitable for Nursery, KS1 and KS2

Christmas Entertainment

A fun, relaxed, interactive and informative festive treat!

Glenda visits many Primary Schools on an annual basis to play and sing secular, classical and traditional Christmas music for children. The children can ask for requests and have "Hands on Harp"!

Suitable for Nursery, KS1 and KS2
